

## PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board shall provide opportunities for members of the general public to participate in the business of the Board.

Members of the public may bring matters directly related to the business of the District to the attention of the Board in one of two ways:

1. There will be a time at each regularly scheduled Board meeting for the general public to discuss items not on the agenda.

Members wishing to present such items shall submit a written request at the beginning of the meeting to the President of the Board that summarizes the item and provides his or her name and organizational affiliation, if any. No action by the Board on such items.

2. Members of the public may place items on the prepared agenda in accordance with Board Policies 2310 and 2340.

A written summary of the item must be submitted to the Superintendent/President no later than 4 p.m. on the 13th business day prior to the Board meeting to ensure compliance with the Brown Act. The summary must be signed by the initiator, contain his or her residence or business address, and organizational affiliation, if any.

Members of the public also may submit written communications to the Board on items on the agenda and/or speak to agenda items at the Board meeting. Written communication regarding items on the Board's agenda should reach the office of the President no later than 4 p.m. on the 13th business day prior to the meeting at which the matter concerned is to be before the Board. All such written communications shall be dated and signed by the author, and shall contain the residence or business address of the author and the author's organizational affiliation, if any.

Members of the public will be allowed a maximum of five (5) minutes per topic. Fifteen (15) minutes shall be the maximum time allotment for public speakers on any one subject regardless of the number of speakers at any one board meeting. At the discretion of a majority of the Board, these time limits may be extended.

If requested, writings that are public records shall be made available in appropriate alternative formats so as to be accessible to persons with a disability.

Claims for damages are not considered communications to the Board under this rule, but shall be submitted to the District.
