books, transportation, and other fees are not included. Scholarships are renewable each term based upon satisfactory academic performance and continued progress towards the degree.

Nurses who do not meet eligibility requirements for the Kaiser scholarship described above may qualify for the SMU RN to BSN Scholarship. The SMU RN to BSN Scholarship is \$2,000 per term (\$10,000 maximum for the full program), and is renewable each term based upon satisfactory academic performance and continued progress towards the degree. Applicants should contact the Admission department to learn more about eligibility requirements. Other scholarships and loans may be available to help finance your education. Prospective students are encouraged to speak with their benefits administrator for more information about tuition reimbursement programs and to seek scholarships outside of Samuel Merritt University.

Curriculum

Unitary Caring Science (UCS) serves as the foundation of the RN to BSN curriculum. One of the core concepts of UCS is the 10 Caritas Processes® (CPs) which outline the core principles made manifest in the practice and delivery of nursing care. Each term has two CPs themes that scholars will learn about for deeper transformation and that reinforce the art and science of nursing reinforce the art and science of nursing.
