Big Interview Tool Introduction

1. Check out [Big Interview](#), which is currently being provided FREE to all COS students through the Sequoia Adult Education Consortium. There are tutorials, tips, resources, and mock interviews. This platform is organized around industry sectors, work skills, and even a section for college admissions interviews.
2. Select Register, enter your personal, account information and use the following **Passcode: 0676** for your first time entering Big Interview or use your log in information to get started.
3. Review the Getting Started with Big Interview [video](#) to prepare for your career and build your career management tools. If you have any questions, refer to the [Big Interview Student Guide](#).
4. Make sure you have your technology ready prior to using this tool.
 - a. On a laptop or desk top computer:
 - i. Use an updated version of Google Chrome or Firefox (Big Interview is NOT compatible with Internet Explorer.)
 - ii. Make sure your webcam and microphone are enabled.
 - b. On a phone:
 - i. Use the Big Interview App.
 - ii. Make sure your volume and webcam are working.
